Next Steps

We will notify successful applicants by phone no later than Tuesday 12 April 2011.

If you are successful you will be invited to make a “pitch”.

Pitches will be made to a panel of five judges and will be in front of an audience. Your pitch is to be directed at the judges, but it needs to inform an audience which knows nothing about your organisation or your idea. We envisage your pitch will simply be a repackaging of your initial entry.

You may use PowerPoint or video to assist your pitch.
