

## **Workshop 5G Student Owned but not Student Funded – Seeking a Sustainable Future by Sue Higgins.**

- Fraud issues with student associations.
- Accountability, increasing transparency.
- Roles should be FUN, PLEASANT and SATISFYING.
- Transport needs for students in Auckland.
- Education around debts, money management and etc.
- Socialization (social media, sports and events and etc).
- Relationship with University critical – advocates for students.
- Potential legislative changes, re. “Freedom of Association” causing the organization to be voluntary membership.
